As the first hotel under the HPL Hotels & Resorts management to achieve this prestigious certification, Concorde Hotel Singapore has demonstrated its leadership in the hospitality industry by adhering to the highest global standards in sustainable tourism. The GSTC accreditation is a testament to the hotel's dedication to minimising its environmental impact while positively contributing to the local community.

"We are honoured to receive the GSTC accreditation," said Karl Muir, General Manager of Concorde Hotel Singapore. "This achievement reflects our team's tireless efforts in implementing sustainable practices across all aspects of our operations. We believe that responsible tourism is essential for the long-term health of our planet and the well-being of our guests."

Concorde Hotel Singapore has implemented various initiatives to enhance its sustainability profile, including energy conservation measures, waste reduction programs, and support for local communities. The hotel is committed to continuous improvement and will continue to explore innovative ways to minimise its carbon footprint while providing exceptional guest experiences.

Saving the Environment. Always at Concorde.
